

Pepb.net Wireless Password Change for Users

You may change your full name or the password of your User account at any time. The full name of your account is the name that appears in the header of email messages that you send. You may want to change your password in order to ensure security.

This link is the url that you will use to access the system to make changes to your account.

<http://www.pepb.net/user>

To change your full name or password:

1. Log in with the username and password that you chose you when signed up.

User Administrator Login:
Your Login is your *username*.
Your Domain is the site's *domainname.com*.
These fields are case sensitive.

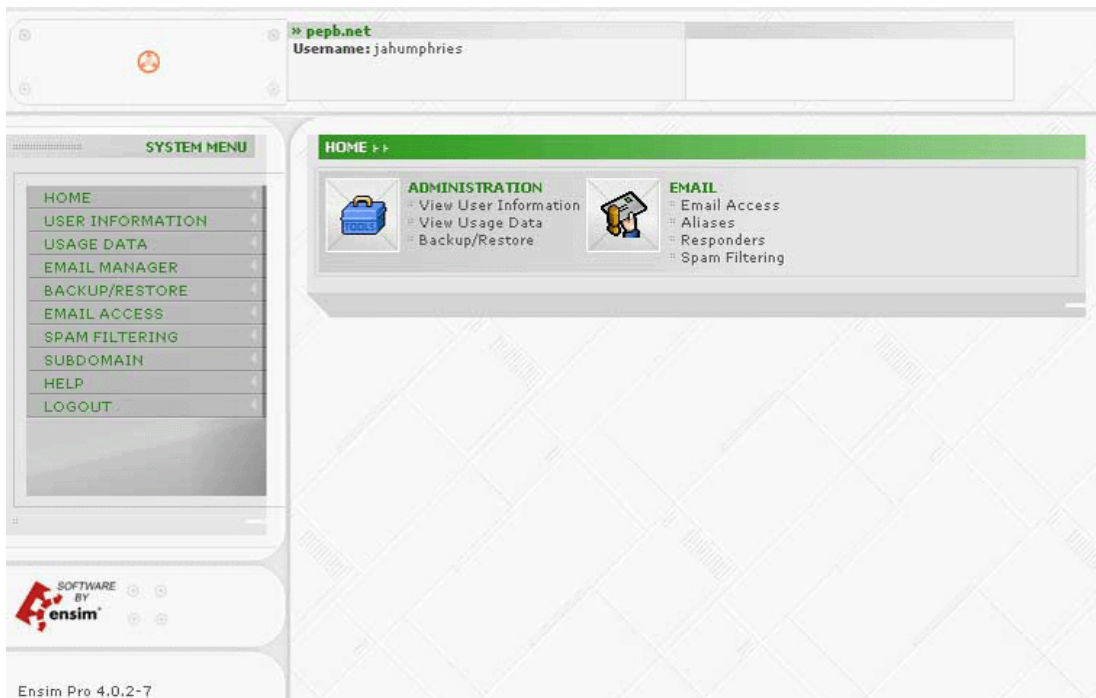

Language: English (US) ▼

Login:

Domain:

Password:

2. Click on the “User Information” link on the left side of the page.

The screenshot shows the user interface of the Pepb.net system. At the top, there is a header with the Pepb.net logo and the user's name, "Username: jahumphries". Below the header is a "SYSTEM MENU" on the left side, which includes links for HOME, USER INFORMATION, USAGE DATA, EMAIL MANAGER, BACKUP/RESTORE, EMAIL ACCESS, SPAM FILTERING, SUBDOMAIN, HELP, and LOGOUT. The main content area is titled "HOME" and contains two sections: "ADMINISTRATION" and "EMAIL". The "ADMINISTRATION" section includes links for View User Information, View Usage Data, and Backup/Restore. The "EMAIL" section includes links for Email Access, Aliases, Responders, and Spam Filtering. At the bottom left, there is a logo for "SOFTWARE BY ensim" and the version number "Ensim Pro 4.0.2-7".

3. Click on “Edit” at the bottom of the page.

The screenshot shows the Ensim Pro 4.0.2-7 User Admin interface. At the top, there is a header with the domain 'pepb.net' and the username 'jahumphries'. Below this is a 'SYSTEM MENU' on the left with options: HOME, USER INFORMATION, USAGE DATA, EMAIL MANAGER, BACKUP/RESTORE, EMAIL ACCESS, SPAM FILTERING, SUBDOMAIN, HELP, and LOGOUT. The main content area is titled 'USER ADMIN' and contains a 'User Information' table. The table has the following data:

User Information	
Username	jahumphries
Fullname	John Humphries
Disk Quota	20 MB
FTP	Disabled
CGI	Disabled
SSH Secure Shell	Disabled

Below the table is an 'Edit' button. At the bottom left, there is a logo for 'ensim' and the version 'Ensim Pro 4.0.2-7'.

4. Type in your new full name if you wish to change it.
Type in your new password. Confirm it.

5. Click “Save.”

The screenshot shows the Ensim Pro 4.0.2-7 User Admin interface with the 'Edit User Information' form open. The form has the following fields:

Edit User Information	
Username	jahumphries
Fullname	John Humphries
Password	<input type="password"/>
Confirm Password	<input type="password"/>

Below the form are three buttons: 'Save', 'Reset', and 'Cancel'. The 'SYSTEM MENU' and 'ensim' logo are also visible.

Congratulations!! You have successfully changed your full name and password. Log out and test it. Make sure you remember it.

The screenshot displays the Ensim Pro 4.0.2-7 User Admin interface. At the top, the user is logged in as 'jahumphries' on the 'pepb.net' domain. The main content area shows a 'USER ADMIN' section with a 'User Information' header. A green status bar indicates a successful update: 'Status: Successful! Result: Editing User: succeeded.' Below this, a table displays the user's details:

User Information	
Username	jahumphries
Fullname	John Humphries
Disk Quota	20 MB
FTP	Disabled
CGI	Disabled
SSH Secure Shell	Disabled

An 'Edit' button is located below the table. On the left side, a 'SYSTEM MENU' is visible with options: HOME, USER INFORMATION, USAGE DATA, EMAIL MANAGER, BACKUP/RESTORE, EMAIL ACCESS, SPAM FILTERING, SUBDOMAIN, HELP, and LOGOUT. The Ensim logo and version 'Ensim Pro 4.0.2-7' are at the bottom left.
